Allergies/Special Health Considerations (please specify all)

Should occasion arise, I give my consent to any emergency treatment necessary.* I therefore authorise the session leader(s) to sign, on my behalf, any written consent for medical treatment, provided that, in the opinion of the medical professional concerned, any delay in obtaining my signature could endanger my son/daughter's health and safety. I also give consent for my son/daughter to participate in the full range of activities at CMYT and for staff to act in 'loco parentis'. I acknowledge that should any of the above details change, I will notify CMYT immediately.

* Please note that CMYT leaders are NOT permitted to administer any form of medication under any circumstances, except for in the context of basic first aid.
